

Employment Training Hub

The employment training pathway (STEPS) have welcomed back their learners to the classroom in September 2021

The classroom has been moved to a bigger unit in Middleton Grange Shopping Centre as STEPs has grown and developed so have the numbers of young people.

We would like to express a big thank you to Mark Rycraft and his team for supporting and facilitating this move within Middleton Grange Shopping Centre.

The new training classroom is dedicated to supporting and providing essential work-related training to support our learners journey into paid employment, offering opportunities within the world of work in the 'real' work world.

We would also like to thank Catcote's site maintenance team for all their hard work getting the new room ready.
