

Ian Glass Fitness

Employer Visit

STEPS students enjoyed learning about careers in the Fitness Sector when they had a visit from Ian Glass from <https://www.facebook.com/ianglassfitness/>. Students had carried out some research prior to his visit and had planned some questions to ask with regards to this sector

Ian spoke to our learners about momentum and setting themselves little goals that were achievable. The learners really engaged with Ian and really enjoyed the session.

We would like to thank Ian and look forward to working with in partnership in the future
