

Nikita Signs Her Contract

Today one of our STEPs students, on our pathway to employment and independence programme, signed a contract of work at West View Care Lodge @ <https://www.facebook.com/MartonCareHomes>. Nakita will leave Catcote at the end of this academic year and we couldn't be prouder of her and her achievements gaining paid employment. We would like to thank all the staff at West View Care Home for there continued support with our students. We are looking forward to continuing to work with them in the next academic year, with our other students, that are on placements, learning invaluable work skills.
