

Poolie Time Exchange Eco Shop Project

A group of students from the STEPs programme, our pathway to independence and employment, are working with Poolie Time Exchange, with their community project - Eco Shop

Our students want to help people in the community make a difference, while gaining work-skills. They are going to be involved in the whole process from promoting the shop, stocking the shop, opening the shop and the grand opening.

The ethos of the shop is to sell food at low affordable prices. This will support people in the community who are struggling with the cost-of-living crisis.

Quotes from our students:

Alex "We need donations for the Poolie Time Eco shop, will you help us help those in need?"

Harrison "We need donations such as dried foods, tins, biscuits and condiments for the people who struggle with cost of living. These donations will be most appreciated, thank you for your help."

James "We need donations of these foods, like pasta and rice, tins, biscuits and condiments to help people have a lower weekly food shop. Thank you"

Donations can be dropped off at the Catcote Metro Shop in Middleton grange shopping centre and the Poolie Time shop located at Bovis House, Victoria Road.

If you are struggling to drop them off please message us and we will arrange collection. Thank you to Faye and Hannah this morning for making us all feel so welcome.
