

A Thank You From Wickets!

Three of our learners from our STEPs programme, our pathway to independence and employment spent Friday of half watching the cricket. They have been working with the cricket charity Wickets on an evening gaining invaluable employment and social skills. As a thank you Wickets and @durhamcricket gave our learners free tickets so they could go and watch the Durham and Lancashire match live. The students had a fantastic time and can't wait to get back to placement this week.
