

Graphics and Media

Dan

Dan attended Catcote Academy from years 7 to 11, he was truly inspired through his creative art classes to begin his creative journey. Throughout this time, he also accessed English Martyrs School and studied GCSE in photography and Art & Design. He then progressed to Hartlepool College of FE where he successfully completed Level 2 and 3 in Art and Design.

This enabled him to progress to Higher Education, he is currently in his last year at Teesside University where he is studying for a BA (HONS) in Comics and Graphics. Dan spoke to the whole school in an assembly about his journey and this really inspired our students.
