Dear Parents and Carers,

I am writing to let you know that Catcote Futures will be welcoming Ofsted into the college for an inspection from **Tuesday 13 October to Thursday 15 October 2026**.

We will be welcoming **three inspectors**, who will spend time across the college meeting with learners and staff, visiting learning sessions and looking at the experiences and opportunities we provide.

We see this inspection as a real opportunity to **celebrate Catcote Futures and everything our learners achieve**. We are incredibly proud of the wonderful opportunities our learners have, the progress they make and the way in which they are supported to develop the skills, confidence and independence they need for their future adult lives.

Since our last inspection, the college has continued to develop and strengthen its provision, and we are looking forward to sharing this journey with the inspection team and showcasing the hard work and commitment of our learners and staff.

Most importantly, it is an opportunity for our learners to shine and to show inspectors just what makes Catcote Futures such a special place.

Thank you, as always, for your continued support of the college.

Kind regards,

Gavin Jackson
Head of College
